

Department of the Air Force**Notice of Intent To Prepare an Environmental Impact Statement for the Disposal of McClellan Air Force Base, California**

The United States Air Force (Air Force) is issuing this notice to advise the public that the Air Force intends to prepare an Environmental Impact Statement (EIS) to assess the potential environmental impacts in support of decision making for the disposal of McClellan Air Force Base, in Sacramento, California. The resulting EIS will be considered in making disposal decisions that will be documented in the Air Force's Record of Decision.

The EIS will address the potential environmental impacts of disposal of the property resulting from closure of McClellan AFB pursuant to the Defense Base Closure and Realignment Act (DBCRA), as amended. The EIS will also address the potential environmental impacts of reasonable disposal alternatives.

The scoping period for the McClellan AFB Disposal EIS will extend through December 13, 1996. On November 14, 1996 starting at 7:00 pm, a formal scoping meeting will be held at the North Highlands Community Center, 6040 Watt Avenue, North Highlands, California, 95660. The purpose of the scoping meeting is to provide a forum for public officials and the community to provide information and comments, and to identify environmental issues and concerns that need to be assessed and discussed in the EIS. During the meeting, the Air Force will discuss the proposal to dispose of portions of McClellan AFB, describe the process involved in preparing an EIS, and ask for input in identifying alternate uses for the property. The Air Force will consider reasonable alternatives offered by any federal, state, or local government agency, as well as any individual or private entity.

To ensure the Air Force will have sufficient time to consider public inputs on issues to be included in the EIS, the Air Force recommends that comments and disposal proposals be presented at the earliest possible date. The Air Force will, however, accept additional comments at the address below at any time during the environmental impact analysis process.

Please direct written comments or requests for further information concerning the McClellan AFB disposal EIS to: Mr. Marc Garcia, SM-ALC/EMRO, 5050 Dudley Blvd., Suite 3, McClellan AFB, Sacramento, California
